said road according to contract. Messrs. Upham, Belden and Willey for the Plaintiff; Mason and Estep for the defence.

stroyed by fire at Sandusky City, on trial. Middleton vs. French. Verdlet for Plaintiff with motion for new trial by Defendant. Guernsey Bank vs. Stebbins and others.

or Plaintiff. Fredericks vs. Coe and others. This case, relative to the destruction of the Spy press and type, has excited some attention, if we may judge from the number of interested spectators. Mr. Coe confessed to the breaking done, and gave an account of the manner in which he and Bennett performed the operation. A verdict was rendered for Devenue. fordants, on the ground that that paper was a nulance and an obscene sheet. POLICE COURT .- John Gill for disturbance con-

he been left at that place, or at Port Hurou, he might have been lynched by the populace. The sworn statements of the second mate of the Concord, of a man who was on shore near the brig, life desirable, pleasant, and an upward march to

tion with Frontier. All are invited to attend.

CONFECTIONERY.-The establishment recently owned and occupied by S. C. Whiting & Co., No. 241 Superior street, has been purchased by Mr. John Schrink, who will be at all times prepared to furnish Cakes, Jellies, Oysters, &c., &c., to Balls, Parties or to private customers. Those desirons of finding good articles in the confectionary and eating line, can at all times be here supplied with the choicest varieties, and meet with prompt attenthe choicest varieties, and meet with prompt attention from the proprietor of the establishment. A dish of hot ovsters or chocolate is not an unpleasant accompaniament to a walk home from a lecture

Whereas, Having listened with profound attention and much pleasure to the lecture of Lieut. M. F. Maury of the Naval Observatory, Washington, upon the subject of "extending to the Lakes a system of meteorological observations for the binefit of Lake Commerce and Navigation," and Whereas, The system proposed by Lieuter and Maury, and which has been successfully carried out by him upon the great seas, strikes us as eminently adapted and suitable to the pressing wants and ancessities of our great chain of lakes, and such as should be at once secured: Therefore, Resolved, That a Committee consisting of five be appointed to correspond with the leading cities upon the lakes and elicit their co-operation in the presentation of memorials to Congress, priying that the system of meteorological observances proposed by Lieut. Maury be extended to our great inland seas.

#### MORNING LEADER. JUNIUS, JR. IN NEW ENGLAND.

New England—Her scenery and people—Facto-ries and Villages—Hartford—Her People— Hotels—New Haven—Shade—Alma Mater.

New Haven, Ct., Nov. 24, 1858.

COURT OF CORMON PLRAS.—Nelson Monroe vs. hills and burren aspect, its interminable stone with paid puffs, for I trust I am not yet low enough to be guilty of any such toadysten. I pay my hills as other stone delphia. Action to recover value of property destroyed by fire at Sandusky City, on trial. tect had built an entire village to order, and At

you see no less thrift and enterprise. The farms are generally in a good state of cultivation, and under the strongest and solidest stone bowl. The Lunatic Asylum and the Wads Police Cover.—John Gill for disturbance continued to the 4th.

Hugh Recf for assault and battery, fined \$15 and costs.

Jerry Collins, James Hogany and John Jones, there the substantial white farm houses, looking a half hour within its walls profitably. It has a half hour within its walls profitably. It has a half hour within its walls profitably. It has a half hour within its walls profitably. It has a half hour within its walls profitably. It has a half hour within its walls profitably. It has a half hour within its walls profitably. It has a half hour within its walls profitably. It has a structured to the form of work and the form of the form for grand larceny, heid in \$300 ball each, to appear at the Court of Common Pleas.

The Port Sarnia Honicide.—From the Detroit Advertiser we learn that an inquest has been held upon the body of Capt. Jones, and a verdict held upon the body of Capt. Jones, and a verdict rendered that he came to his death by the means of a pistol in the hands of William Tyler. The funeral services were to take place Wednesday at 10 cedar and white birch. At this season there is o'clock, at Detroit. Murshal Tyleris in Jall awaiting the legal examination, which will take place
before the U. S. Commissioner, on the 10th of this
month. Much excitement prevails at Port Sarnia. month. Much excitement prevails at Port Sarnia, and much feeling against the Murshalls felt. Had be an earnest and serious life battle to compet carriages like the old fushioned stage coachhe been left at that place, or at Port Huron, he from these cold bleak hills a comfortable sup-

cord, of a man who was on shore near the brig, and of the man who took Capt. Jones from China to Port Huron, that he might get to his vessel, show that the Marshal fired the fatal shot without cause or provocation. He will be kept in custody until he can be claimed by the Canadian Government. The testimony shows that Capt. Jones took the axe to cut the rope of the tag, and offered no which is above the average of her sisterhood, a carriages filled, with profiles of the persons and unique the first profile of the persons and unique the first profile of the persons and the divine.

The people are industrious, earnest, energet is thing is the work of Brown, the celebrated artist in this line, who became distinguished in his day. This profile view is cut in paper, and is shown by a black ground.

This train run upon the Albany and Scheneemand captivating, possessed of an intelligence which is above the average of her sisterhood, a carriages filled, with profiles of the persons and to be to the life, one or two of whom are still living. It is the work of Brown, the celebrated artist in this line, who became distinguished in his day. This profile view is cut in paper, and is shown by a black ground.

This train run upon the Albany and Scheneemand captivating, possessed of an intelligence that the first road worked by steam and captivating, possessed of an intelligence that the carriages filled, with profiles of the true, the good, and the divine. the axe to cut the rope of the tug, and offered no and captivating, possessed of an intelligence violence to the Marshal, who fired as soon as he stepped upon the railing. The history of the afair shows if the testimony is reliable, that the minds which are strong, active and brilliant .-Marshal committed a most flagrant and unwarrant- When one beholds the fathers and mothers of able attack. His trial will excite much attention.

New England, and considers for a moment what their ancestry must have been, there need be their ancestry must have been, there need be no further wonder at the results which she has of this closustomers and comic entertainments which their ancestry must have been, there need be close to the Green, the magnificent rows of this closustomers and comic entertainments which their ancestry must have been, there need be close to the Green, the magnificent rows of this closustomers and old Yale, with her long piles of red brick and her great Character of Eines and its contege, its Amplitude of the content of the co f his elecutionary and comic entertainments, which accomplished for human nature. Look at New in and about the Green. The elms are truly of his elecutionary and comic entertainments, which are so well worth hearing, at the Melodeon. His compass and range of voice is extraordinary and his skill in rehearsing selections from various authors, the solid comfortable homes of her people, her siving the infections and modulations as the sense

giving the inflections and modulations as the sease demands, is wonderful. While in his comic characters he would force a hearty laugh from the most crabbed misanthrope, in some wonderful and probability of the being and their long, her great men are the property of the nation; her great men are the property of the nation; sweeping boughs meet over the street, formation; and their long, in summer, a perfect pavillon; while on the sides they extend far over dwellings of the brave, whose patriotmost crabbed insanthrope, in some wooderint and pathetic strain, he would almost draw tears from Judge Jeffries himself. Among his recitations to-night are some from Hamlet, given in appropriate costume. In this character he is said to be unsurpassed. Let the Melodeon be crowded to-night.

Putnam the bravest of the brave, whose patriotism was without bounds, and whose heroism and buildings. To be sure they are shorn and generalship was unequalled in the armies of their beauty now, and look much like the ghosts of their beauty now, and look much like the ers of the Revolution; from among the small farmers of their beauty now, and look much like the ghosts of their beauty now, and look much like the ers of the Revolution; from among the small farmers of their beauty now, and look much like the ers of their beauty now, and look much like the of the Revolution; from among the small farmers of their beauty now, and look much like the ers of their beauty now, and look much like the armies of their beauty now, and look much like the ers of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and look much like the armies of their beauty now, and book much like the armies of their beauty now, and book much like the armies of their beauty now, and buildings. To be sure they are look armies of their beauty now, and buildings. TAKEN AT HIS WORD.—Mr. G.—, who lives American name, as well as the living Chase, Cass and Douglas, whose talents and respective with his household goods—including his wite and several children—upon Lake st, went to his house country; from among the Smithys of Massachu-yesterday morning, taking a girl with him, who, he told his wife, was to be his housekeeper. His wife told his wife, was to be his housekeeper. His wife naturally remonstrated at thus being supplanted in her house, but was told by the amiable Mr. G—o "shut up or leave." He then went out with the collection to has sent forth her great men, whose noble lives, heroic action, and high encountered at thus being supplanted in the sight seeing I can put in. There are some fine buildings, some business activity, and a good to "shut up or leave." He then went out with the whose noble lives, heroic action, and high encountered at thus being supplanted in the sight seeing I can put in. There are some fine buildings, some business activity, and a good deal of evidence of enterprise. I can only look of the sight seeing I can put in. There are some fine buildings, some business activity, and a good deal of evidence of enterprise. I can only look of the sight seeing I can put in. There are some fine buildings, some business activity, and a good deal of evidence of enterprise. I can only look at old Yale—the Alma Mater—not mine, but of whose noble lives, heroic action, and may be deaver the there of the thing is, that she had taken every article of the thing is, that she had taken every article of any patriotism in his composition, and who are the first and around whose classic any patriotism in his composition, and who are the first and around whose classic any patriotism in his composition, and who are the first and around whose classic any patriotism in his composition, and who are the first around whose classic any patriotism in his composition, and who are the first around whose classic any patriotism in his composition, and who are the first around whose classic any patriotism in his composition, and who are the first around whose classic around whose classic

idence. This establishment is said to be the largest in the world. The building is over 900 feet in length. Its prints are fumous the world over. To the rear of the factory as you approach it by Railroad, and across the small to retain their seats for a few moments. J. L. Weatherly, Esq., made a few moments. J. L. Weatherly, Esq., made a few remarks relative to the importance of the application of the lecture, and the practicability of such an application in petitioning Congress to establish surveys and observations on the lakes. Philo Chamberlin, Esq., then read the following resolutions which were adopted:

Weatherly, Esq., made a few moments and the practicability of such an application in petitioning Congress to establish surveys and observations on the lakes. Philo Chamberlin, Esq., then read the following resolutions which were adopted:

Weatherly, Esq., made a few moments and the practicability of such an application in petitioning Congress to establish surveys and observations on the lakes. Philo Chamberlin, Esq., then read the following resolutions which were adopted:

Weatherly, Esq., made a few moments and the practicability of such an application in petitioning Congress to establish surveys and observations on the lakes. Philo Chamberlin, Esq., then read the following resolutions which were adopted:

Weatherly, Esq., made a few moments and capital to retain their seats for a few moments. J. L. Weatherly, Esq., made a few moments and the protection of the place is not a single angle, bracket, window, door or chimney to relieve the ammeness of the birds-eye view which your position gives you of the village. There are about 1500 inhabitants in the village built up in the same manner.—Wauregan, in Windham county. I presume there are other villages built in the protection and the protection of the place of the guardians of education and the protection of the place of the guardians of education and the protection of the lathest section of the lathest of DRINS PURS. All the winder care are of the place of
